Deni Heavycrown she either has extensions in or she is growing her hair out like Rapunzel so her pimp can climb up to her jail cell.

Cameron Posey he looks like someone stole the glasses off of a Garbage Pail doll and stuck them on his head.

Cameron Posey he got some left over something in that beard, but it's not crumbs. It's nuts!! That's a shock absorber for a high speed pecker wrecker!

😂😂😂 This was probably used as an audition tape for a porno. She looks like Rollergirl off of Boogie Nights. I was expecting Dirk Diggler to show up any second. 🧑

Deni Heavycrown if she isn't she missed a good opportunity, plus I'm pretty sure that's what the PI's found out. But I could be wrong, she might work at Sonic. 🤔

PS- the correct vernacular is "Exotic Dancer".

Chris Thompson I think they are extensions, they're a bit thick and they look heavy, but hey to each their own!
